Babson Discusses "Free Food"

(Exclusive to The NEWS)

WHILE we all are worrying about Russia and World War III, we must not forget that at any time some great revolutionary invention may develop which will take everyone's attention, for awhile, off of Capitalism, Communism and every other "ism". I have in mind electronic experiments to greatly reduce the cost of canned fruit, vegetable and other juices whereby the new mineralized electrically enriched product will be more tasty and healthier than the present commercial products.

Your value is measured by your energy, although this may be spiritual energy, mental energy or physical energy. This last shows itself in farm work, road and building construction, factory and office jobs and even home cooking or bed making! To develop energy is the reason for eating, drinking and breathing. Upon this need of food for energy, the agriculture of every nation is based and, in fact, exists.

But from where does your energy come? It comes from the Sun in a wonderful way. The Sun's electrical energy, supplemented by air, water and minerals, is stored by photosynthesis in the vegetable products which we eat. After eating, by a reverse process, this Sun's energy is turned back again into human energy by electrical forces within our bodies. This is the entire story if you are a vegetarian. In case you eat meat, fish, eggs, etc., then there is also another intermediate process; but even then your energy really comes from the Sun.

Sun, water and air are already free. Hence, it will be necessary only to spend a very little for minerals and certain electric rays—to create human energy. This might make it unnecessary for us to eat the products of the soil except for bulk and as luxuries. Our appetites would be satisfied electronically and we would need never be hungry.

SORENSEN CANDIDATE FOR BOARD OF SELECTMEN

Town Meeting Member Contests Assured

Election Stirs New Interest

Second Snowstorm In Week Hits Arlington

Arlington, which like the rest of New England has had an open winter up to last week-end, experienced its second snowstorm of the year on Wednesday when about eight inches of new snow fell here.

Despite the double storm within a week, pedestrian and automobile traffic moved at near-normal pace yesterday as a result of the quick work of the Public Works Department. As early as mid-afternoon Wednesday, long before the storm had ceased, sidewalk plows were out while truck plows were busy keeping main arteries open. Many of the side streets were plowed by the time people returned home from work Wednesday evening.

Plows moved about the town throughout the night Wednesday and early yesterday morning in an effort to clear all streets, as far as possible.

Wednesday's powder snow was easier to cope with than last Friday's, although there was more of it.

Many Auto Crashes
Friday's storm was followed by rain at night, which turned into slush. Freezing weather added to the hazard for pedestrians and motorists alike, Friday night and Saturday. In a sudden wave of auto accidents, no less than 10 mishaps were recorded in Arlington on Friday, many of them resulting from icy conditions.

The Public Works Department continued its policy of doing everything to provide good service while (Continued on Page Five)

FORUM

The forum on town government being sponsored by the School Department, will be continued next Thursday evening at 7:45 at the Robbins Library Hall when Dr. William J. Keefe of Boston College Law School will speak.

Dr. Keefe will discuss the school department and the school committee's responsibilities. Last evening, Selectman Joseph Peterson and Atty. John L. Murphy outlined the duties of the board of selectmen and the public works board. Last Thursday evening, Town Clerk James J. Golden discussed the organization of the town government outlining the responsibilities of various departments.

Archbishop Cushing At St. James Sunday

Archbishop Richard J. Cushing, D.D., will speak at St. James' Church at the 7:30, 8:30, 10:30 and 11:30 Masses next Sunday morning. Rev. Maurice J. O'Connor, D.D., LL.D., informed the members of the parish last Sunday.

The Archbishop of Boston will enumerate the many charities in the archdiocese under his patronage and will give the people of St. James' parish, known for their charity, an excellent opportunity to respond in a financial way to the Archbishop Cushing Charity Fund.

FOR A WORTHY CAUSE—Principals, who were largely responsible for the success of last week's polio benefit performance which netted over \$1000 for the Arlington drive were (left to right) Bill Cunningham, Mrs. John E. Stafford, president of the PTA Council and Mrs. Raymond McKeever, who organized the program.

"Polio" Benefit Nets \$1,005

Governor Dever To Speak Here

Governor Paul A. Dever will be the guest speaker at a special dinner meeting of the Arlington Chamber of Commerce on Thursday evening, March 24, Arthur J. Mansfield, president, announced this week.

Plans are already being made by the program committee headed by Benjamin F. Hickey. Since this will be the only meeting before the annual ladies' night, a large attendance is expected. Dinner tickets will be available to members and all others interested to hear the new Governor in the near future.

The board of directors will meet Feb. 8 to make plans for the March meeting.

Arlmont Bus Petition Denied

The State Department of Public Utilities this week turned down the petition of the MTA seeking to provide shuttle bus service between Arlington Village and Park Ave., at the Concord turnpike.

The petition had aroused a heated controversy, with Arlington Heights residents divided over the matter, many of them contending that the Hudson Bus Lines, which already has a franchise to serve the territory in question, would suffer if the MTA petition were granted.

The DPU in its decision said that in view of the existing franchise it would be unfair to allow another line to operate in the territory, and that the patronage to Arlington Village would not warrant additional MTA service.

Denis Donahue Resigns; Hesseltine Appointed Registrar of Voters

The resignation of Denis I. Donahue by the board of selectmen on Monday evening. In a testimonial sent to Mr. Donahue, the board expressed its appreciation for the service Mr. Donahue has given the town during the past 16 years.

Ernest Hesseltine, Jr., of 38 Russell st., was appointed as registrar to fill out Mr. Donahue's term which expires March 31, 1950.

To Serve on Jury

The Selectmen at a meeting Monday drew the names of the following for jury duty starting March 7: Lester F. Barrett, 16 Cleveland st., first civil session; Cambridge; John G. Ashman, 134 Broadway, second civil session; and William J. Heerman, 42 Hilton st., first criminal session at Lowell.

Several Hurt In Auto Crashes During Storm

Ten automobile accidents, some of them caused indirectly by the year's first snowstorm, were recorded in Arlington on Friday. Up to that time, comparatively few accidents had taken place here since the New Year.

Several persons were injured as a result. Richard Cummins, of 56 Mt. Vernon st., suffered injuries to his left hip when a truck skidded into his car at Massachusetts and Richardson aves., late Friday afternoon. Nicholas T. Sackos, 21, of 139 Palmer st., was injured when struck by an auto operated by a Bronx, N. Y., man early the same afternoon.

Nellie M. Whiting of 416 Mystic st., complained of injuries after the car which she was driving was struck by an another auto at Mystic and Summer sts., late Friday. (Continued on Page Five)

Coaster Injured In Auto Mishap

David Rivers, 6, of 83 Brattle st., suffered serious head injuries late Sunday afternoon in the first coasting accident in Arlington this year.

According to police, the boy coasted into the right wheel of an auto operated by Philip V. Chiumiento of Woburn. The accident happened on Brattle st. The latter took the victim to the nearby Symmes Hospital where he was treated by Dr. Carl E. Barstow.

Another child was injured in an auto accident on Palmer st., late Tuesday afternoon. Patricia Handley, 4, of 245 Broadway ran into a car operated by Dr. Ezekiel Pratt of 385 Massachusetts ave., police said.

Dr. Pratt took the child to his office where she was treated for contusions of the forehead and other injuries.

Election

(Continued from Page One)

He was educated in the Woburn grammar and high schools and later studied at Bentley School of Accounting. A veteran of World

War I, he served with Battery D, 301st Field Artillery in France. During the last war, he was a member of the Coast Guard Reserve (T) as commander of Flotilla 514. He was honorably discharged with the rank of lieutenant, junior grade.

ELECT GEORGE A. HARRIS SELECTMAN

"A Great Record
of Good
Citizenship"

V. A. WEEKS,
19 Jason St., Arlington

Company Executive

Upon his graduation from high school, he was associated with the National Shawmut Bank for 10 years. For the past 25 years, he has been engaged in the wool business and is at present treasurer and head wool buyer for the Davis-Parker Company in Boston, with branch offices in Philadelphia. His territory covers the New England states and the South.

A property owner in Arlington, Mr. Sorensen served on the Town Finance Committee for about five years and was its vice-chairman about six years ago. He has been a town meeting member for nearly 10 years, first representing Precinct 8 and now Precinct 9.

He has taken an active interest in civic movements in Arlington. He is a member of the American Legion, Boston Lions Club, Boston Wood Trade Association and a trustee of the permanent funds of the First Baptist Church in Arlington.

Others Candidates

Also taking out nomination papers this week were Paul A. Griffin, candidate for the School Committee; and John R. O'Donnell who will run for the Board of Health.

A check at the office of Town Clerk James J. Golden shows that 148 candidates have either taken out nomination papers, or filed letters declaring their intentions of running for re-election as Town Meeting Members, indicating a trend away from the lack of interest shown earlier. Contests are assured since less than that number is to be elected on March 7. Candidates for this office, like others, must file their papers by next Monday at 5 p. m.

Urging citizens who are sincerely interested in the welfare of the town to run for Town Meeting Member, the Arlington Citizens' Committee, which has conducted a drive for better representation at town meetings, says: "There is still time to file. Don't sit home in your armchair and complain about the way town affairs are being conducted. Get up and do something about it. You have until next Monday at 5 p. m. to file for town meeting member."

The Citizens' Committee reports success in its drive to weed out the habitual absentees from the town meeting member ranks. Twenty-two of the 25 town meeting members who were absent from the last town meeting when a roll call was taken are not running for re-election.

Precincts 11 and 14 already have 13 candidates fighting for seven vacancies, but in other precincts candidates will win by default unless others file.

The ACC announces that all Town Meeting Member candidates who desire to be considered for endorsement by the Committee must return the qualification questionnaire as soon as possible. No candidate will be considered unless the questionnaire is submitted. If you are a candidate and have yet to receive a questionnaire, call AR. 5-2980 and one will be mailed to you.

M.D.C. Official Praises Rawson

Thomas R. Rawson of 54 Hutchinson road, candidate for the Board of Public Works in the March election, was praised this week by William T. Morrissey, Commissioner of the Metropolitan District Commission, as a reliable contractor and business executive.

Commissioner Morrissey's statement said, in part:

"I have come in contact with Thomas R. Rawson of 54 Hutchinson road, Arlington, since 1925 in my capacity as Division Engineer, Chief Engineer and Commissioner of Public Works for the City of Boston.

"For a number of years he was associated with his father on snow removal work and construction contracts. Their firm always did first class work for the department. Later on he was employed by the Highway Division as a general construction inspector and his work at all times was very satisfactory.

"Later he entered the trucking business and general contracting work, and to the best of my knowledge, has been very successful. I would not hesitate at any time to recommend this man, having known him for so many years, as to his qualifications for any kind of construction work, also as to his honesty and his reputation which has been excellent."

—Miss Pauline Antifantis of Arlington, a member of the Fisher School choral society which gave a formal concert for members of the Boston City Club last Thursday evening.

COMMONWEALTH OF MASSACHUSETTS PROBATE COURT

Police Chief Warns Motorists

"Take your time in wintertime. Please drive carefully."

This plea for cautious driving came today from Police Chief Archie F. Bullock in the wake of the first appreciable snowfall of the year. "We're receiving too many calls for accident investigation in which people are being injured," the Chief said. "Our job is to prevent accidents as well as investigate them — and we'd rather do the preventing. We don't like accidents any more than the people who are involved in them. That is why I'm pleading to all drivers to be extra careful."

Chief Bullock said that numerous cars were reported skidding around or becoming stalled due to snow. "If a majority of these drivers had been going a little

slower and had been properly equipped for snowy weather — especially if they'd taken a few minutes to put on their tire chains or maintain clear windshields — many of these accidents and traffic tie-ups could have been prevented," he added.

In offering a solution to reduce the driving hazards caused by the snow, the Chief listed vital precautions that should be adopted by drivers. They are: Reduce speed when the streets are slippery, use tire chains, keep windshield wipers and defrosters in working condition to provide the best visibility, and see that headlights are functioning.

He further pointed out that inadequate traction is a major cause of accidents in this kind of weather. "All of us as drivers should know what little traction we can get on snow or ice. The most reliable advice for preventing accidents when road surfaces are very slippery is to be extra careful, drive very slowly, and apply your brakes gently when you come to a stop," he declared.

O'Neil Files Papers

Thomas J. O'Neil, chairman of the Board of Public Works, who is seeking re-election in March, this week filed his nomination papers containing some 600 signatures, considerably more than are required. Over 3000 voters had signed Mr. O'Neil's papers which have been in circulation for the past few weeks.

Loose a Minute, and Save a Life
Watch out for pedestrians

News Briefs

—Mr. and Mrs. Walter E. Lanefield of Valley road are vacationing in Florida.

—Rev. John Nicol Mark will give the graduation address for the New England Institute of Sanitary Science and Embalming next Monday at the New England Mutual Hall.

—The Arlington Kiwanis Club will be represented at the charter night of the Watertown Club next Monday evening.

—Police and fire officials are investigating three false alarms of fire which were sounded from boxes on Pond lane Tuesday night and on Henderson and Academy sts., about 4 o'clock Wednesday morning.

—The Brotherhood Week Committee, of which Rev. Robert M. Rice is chairman in Arlington, is making plans for a mass meeting on Wednesday evening, Feb. 23.

—The Arlington Masonic Association will again have open house on the afternoon of Washington's Birthday, with Wayland P. Blood of Belmont giving an address on Lincoln.

Through the cooperation of David Geary, Town water registrar, the Metropolitan District Commission's film of the Quabbin Reservoir, also showing how the MDC's water division functions, was shown at Junior High West this morning.

—Joseph Anno, 11 Peirce st., was elected a member of the Planning Office Recreation Committee at the Boston Naval Shipyard.

—Suffering from a cut over the right eye, received when she fell while running for a bus last Thursday afternoon, Mrs. Helen Boudrow of 235 Pheasant ave., was taken home in a police cruiser car.

Ring Hits Poor State Highways

Former Representative Hallam T. Ring last week addressed the Massachusetts Association of Real Estate Boards at the Copley Plaza. His subject was "Massachusetts Highway Problems and Their Solution."

In introducing the speaker, the presiding officer said in part, "As a former member of the Legislature and officer of the Committee on Highways and Motor Vehicles and one of the authors of the bill presented last year for a 100 million dollar highway program, there is probably no better informed individual, outside the Department of Public Works, on our highway ills and how to cure them, than our speaker, Hallam T. Ring."

Mr. Ring pointed out that Massachusetts is the most backward state in the Union in highway construction and that over 92 percent of our highways are nearer 20 years old than 10. This has occasioned an enormous traffic hazard, which is rapidly strangling our commerce and industry.

Fifty percent of the communities in the state are entirely dependent on highway transport for travel and merchandise. Millions of dollars in tourist travel are diverted elsewhere and the traveling public is becoming disgusted, he said.

Accidents on the Worcester turnpike are 1000 percent above those on the Maine turnpike. Accidents increase insurance rates, and a 5 percent drop in these rates would save auto owners over two million dollars, the speaker added. A solution is available in the Accelerated Highway Program

which is again offered to the Legislature this year, with the backing of high state officials and Governor Dever, but it must not be blocked again in the Legislature, Mr. Ring warned.

Junior High Centre PTA

The Junior High Centre P.T.A. held its third meeting of the year last Thursday night at the school building.

Malcolm Masters of the building committee told of plans for the gymnasium addition. The principal speaker was Dr. Forbes H. Norris, superintendent of the Winchester schools, who spoke on the "Qualifications of a School Committee Member." After a business meeting, a social hour was enjoyed under the direction of Mrs. Doris Grey and her committee.

KING'S DAUGHTERS

The Good Samaritan Circle of the King's Daughters met Wednesday at the home of Mrs. James Wood, 35 Peter Tufts road. A while elephant sale was held. Mrs. F. Higgins and Mrs. A. Smith were assisting hostesses.

NEW BUILDING PERMITS

Building permits have been issued to Ralph Frisone of Lexington for a single house at 388 Appleton st.; to William Saganick of 39 High Heath road for a single at 185 Brattle st.; and to Michele Abruzzese of 50 Wright st. for a single at 14 Heard road.

Ashley Zwicker, prominent Mill st. business man, has just returned from Florida where he was very much impressed by the orange groves in that state. He made the trip with Edmund Frost of the Arlington Storage Warehouse, who is still in Florida.

What's this... about A&P's Wonderful Way of Selling Fresh Fruits and Vegetables?

Why should you pay full price for a head of cauliflower that's "under size" or for fruits that have been bruised in shipment, or for any item of produce that isn't of top grade and quality? A&P saw no good reason... and now, with A&P's wonderful way of selling fresh fruits and vegetables, you are assured of full value for your money. A&P's expert produce checkers carefully check every crate and basket that comes in... the head of lettuce that's too small... the pears and apples that have been bruised... these and all other items that don't come up to top grade are weeded out...

Reduced in price and put on A&P's Special "Quick Sale" Table. While these rejected fruits and vegetables may be perfectly good, they're just not good enough for A&P's regular produce displays. This inspection and weeding out goes on constantly throughout the day, and anything which has become blemished by handling is immediately transferred to the "Quick Sale" Table and reduced in price. Don't you agree that A&P's produce policy assures you of getting fruits and vegetables at their finest and freshest... at prices that assure you of full value for your money? Come and see for yourself!

Basketball Game To Boost Polio Fund

Local basketball fans are in for a treat when the high flying Arlington Legion team clashes with the fast travelling Arlington Boys Club varsity in an infantile paralytic benefit game at the Lowe Memorial Gym next Sunday afternoon at 2:30.

The intense rivalry between these two clubs indicates that a large crowd will be on hand to witness the hot contest that this game usually becomes.

Post 39 team is leading the Middlesex League and features a strong lineup of Capt. Dinny Shea, "Shrimp" Ahern, Bill Whitney, Bob O'Brien, Mike McFadden and several other stars under Coach Frank Powers.

Coach Joe Tobin of the Boys Club has had a good season to date with 10 wins to three losses and a good squad of former Arlington High School players paced by Capt. Joe Keohane, Bob O'Neill, Bill Sullivan, Joe Guarnotta, Bill Casey and several other fine players under the 21 year age limit of Boys Club competition rules.

The opening game will feature a contest between the 100 lb. mid-set team of the Boys' Club and the 100 lb. midsets of St. James (Arlington) C.Y.O. The Boys Club midsets have had an unbeaten sea-

son to date and are coached by Bill Mulcahy of the Arlington Boys Club.

Officials will be John Finnerty of Arlington and William Moan of Newton who are donating their services.

Denounces Gambling to Aid Church Fund

Attacking gambling in every form, as means of money-raising for churches, the Rt. Rev. W. Appleton Lawrence, Bishop of the Episcopal Diocese of Western Massachusetts, puts in the same class such devices as raffles, door prizes, number games, bingo, and all forms of games of chance.

The Bishop points out first that lotteries are illegal, but that the police do not often attempt to enforce the law when charitable enterprises are concerned. "But just because you are not caught or punished, does not alter the fact that you are a law-breaker," said the Bishop.

The Lambeth Conference, of Anglican Bishops which met in London in 1948 called attention in an official statement: "To the grave moral and social evils that have arisen in many lands

through the prevalence of gambling on a vast scale. In view of these evils we urge that no church organization should make money by gambling; and we warn men and women of the danger of acquiring the habit of gambling, which has led in so many cases to the deterioration of character and the ruin of homes."

Bishop Lawrence is certain that gambling and games of chance would not be tolerated by Jesus Christ, and concluded: "Surely, as Christians, we do not wish to profit by another's loss; and how can we love our brother as ourselves when we gain at his expense?"

Wells and Kingman On Bowdoin Team

Richard Kingman and Kenneth Wells of Arlington, recently became members of the J. V. hockey team at Bowdoin. Both are members of the class of 1952.

Kingman, son of Mr. and Mrs. Stanley R. Kingman of Gould road, prepared for college at Belmont Hill School in Belmont and while there was a member of the varsity football and hockey teams, and a member of the Glee Club. At Bowdoin he is also a member of the Delta Upsilon fraternity.

Wells, son of Mrs. Marjorie Wells of Locke st. prepared for college at Arlington High School and Wilbraham Academy, where he played football and hockey and was named the Greater Boston All Scholastic goalie. At Bowdoin he is a member of the football team and the Kappa Sigma fraternity.

Joint Board Approves Freemont St.

The joint board of Selectmen and Public Works, following a hearing Monday night, voted to recommend the laying out of Freemont st., off North Union st. in connection with the veterans' housing development to be built in that section.

On recommendation of the State Housing Authority, no action was taken on the laying out of Gardner st.

The Freemont st. recommendation will come before the annual town meeting for approval.

Kensington Study Club

The Kensington Park Study Club continued its study of Ireland and Scotland at a meeting Tuesday at the home of Mrs. Fred U. Wyman.

Mrs. Brace I. Lawley conducted the business meeting following which Miss Yerrinton presented two members who had prepared papers. Mrs. F. R. Swan talked on sports of both countries while Mrs. G. W. Whitney described the industries, both old and new. Mrs. L. E. A. Smith was pourer during the social hour.

The next meeting will be held Feb. 8 at 2 at the home of Miss Caroline D. Higgins.

Cub Scouts to See Free Movie Saturday

Saturday, at Lowe's State Theatre, Massachusetts ave., Boston, the Cub Scouts of the District can enjoy a morning of fun. Doors will open at 8:45.

The cub scouts with their leaders will be admitted free of charge provided they have a Pet Patrol badge, which they can obtain from their leaders or at the office of district chairman, Henry E. Keenan, 801 Massachusetts ave. Other boys and girls of junior age can attend if they obtain a badge at this office. Leaders of groups of 10 are asked to accompany the youngsters and they also will be admitted free.

The movie—in its world premiere—is the new technicolor film, "The Sun Comes Up," an entirely wholesome story for children. It features Lassie, the famous dog star, Claude Jarman, the little boy who won an Academy Award for his fine performance in "The Yearling," and brings back to the screen singing star, Jeanette MacDonald.

40 Articles In Warrant

The board of selectmen at its meeting Monday evening closed the warrant for the annual town meeting, the first session of which will be held March 22. Forty articles will be included in the warrant.

O'Donnell Candidate

John R. O'Donnell of 1021 Massachusetts ave., this week announced his candidacy for the Board of Health in the town election on March 7. Mr. O'Donnell, who is a funeral director, studied sanitary science, bacteriology and anatomy after attending Arlington schools. The term of the office is three years.

MRS. PHILENA McINNES Mrs. Philena (Lantz) McInnes, 78, of 60 Overlook road, died at the Symmes Hospital on Sunday after a brief illness, following a fall in the yard of her home two weeks ago.

She was the wife of Patton B. McInnes, born in Cambridge, Hantz County, Nova Scotia, she came to this country 47 years ago. She had lived in Arlington for time. Services were held on Wednesday at the Berglund Funeral Home, with Rev. Ezra Reimer, former pastor of the Arlington Heights Methodist Church, officiating. Burial was in Mt. Pleasant Cemetery.

She is survived by her husband, three sons, Lester W. and Chester W. of Arlington and Walter W. of Hudson, N. H.; also four grandchildren.

MISS CASS ENGAGED

Mr. and Mrs. Bertram E. Cass of North Scituate, formerly of Arlington, announce the engagement of their daughter, Miss Muriel E. Cass, to Robert J. Sauter, son of the late Clarence E. Sauter of New Britain, Conn., and Mrs. John B. Livingstone of Woodstock, N. H. No definite plans have been made.

Supports Harris

To the Editor: May I have the privilege of telling your readers why George A. Harris is the sort of man the good government of any community needs in its governing body?

I have known George A. Harris for many years, and in that time I have had opportunity to know his business life, his family life, his private life. In short, I "know the man."

I know he is honest to a point of bending backward, and the saying goes, to do the right thing.

I know he has strong convictions of right and wrong, and that he has the courage to express and demonstrate these convictions. His activity at Town Meetings prove this.

I know he is a "secret philanthropist." The private favors and assistance he has given those who needed help, even to putting a ton of coal in a neighbor's empty bin, attest to his wholehearted interest in the welfare of our citizens.

He is a fairly young man, he is vigorous, not afraid of anybody or anything, he is a hard and conscientious worker for whatever he deems best for the greatest number.

In short, he would be an able member of the Arlington Board of Selectmen, and unquestionably an office holder of whom our historic town could be proud.

Sincerely,
Helena B. Frederickson
19 Jason St.

—Mr. and Mrs. John E. O'Malley, 9 Pine court, Mr. and Mrs. Francis J. Lombard, 23 Moulton road, and Mr. and Mrs. Samuel R. Carlisle, 116 Massachusetts ave., are the Arlington members of the committee in charge of the Frank Ryan farewell concert in New England Mutual Hall, Sunday night, Feb. 6.

Woman's Club Has Home Day

The Arlington Woman's Club met last Thursday at the Robbins Town Hall with Mrs. Arthur J. Mansfield presiding. This was American Home Day.

Mrs. Spear of Westfield, state chairman of the Division of Preservation of Antiques, gave an interesting talk on the work of her committee.

The Woman's Club Chorus gave a "public rehearsal." Against a stage setting representing a living room where rehearsals are held, the chorus sang many of the familiar songs which were greatly enjoyed

by all the members.

The guest speaker, Mrs. Gladys Reed Edling, spoke on "Practical Ideas of Home Furnishings and Interior Decorations." Her talk was highlighted by delightful color schemes and ingenious handling of materials which are now available.

ARLINGTON SERVICE STATION DISPLAY CONTEST WINNER

Donald Whynaught, Massachusetts ave. and Wyman terrace, was one of the prize winners in the national contest for the best displays of Thermo Anti-Freeze by U. S. service stations, sponsored by Publicker Industries, Inc., manufacturers of Thermo. Mr. Whynaught was awarded a 19-jewel Hamilton wrist watch.

—Air Force Lieutenant Norman E. Shaw, son of Mr. and Mrs. Thomas E. Shaw, recently returned to his home station of Spokane Air Force Base, Washington after a three month stay on the island of Okinawa.

—Chief Gunner Omer Shriver, USN, husband of Mrs. Lillie Gordon Shriver of 114 Varnum st., arrived this week after a six-month cruise in the Mediterranean Sea aboard the light cruiser USS Little Rock.

FOR SELECTMAN

MARCUS L. SORENSEN

EMINENTLY FITTED
FOR THIS ALL-IMPORTANT OFFICE

Marcus L. Sorensen is an outstanding example of a man who by his courage and industry has established a successful record in business and community affairs.

This record has been achieved on the basis of deeds rather than words. Mr. Sorensen has never sought political advancement, although for many years he has served as a Town Meeting Member and a member of the Finance Committee.

He is a man of courage and good judgment and is eminently fitted by his experience in business and civic affairs to discharge the duties incidental to the important office of Selectman.

TOO MUCH GOVERNMENT

The trouble with the world is that it has too much government, too much absolute authority.

This is not a new situation, unique to our age. The whole history of civilization has been a conflict between the individual and those who wished to enslave him. That conflict has caused innumerable wars, revolutions, economic upheavals, all manner of disasters. But in the present world the technique of enslavement has been perfected. In some cases government maintains its power with the whip and the gun. In other cases it is far subtler—it increases and solidifies its authority through due process of law. But the end result is the same—a nation where all men have less and less freedom of action and decision, and where the political rulers determine more and more what we shall think and do.

Usually, we surrender rights to government for political promises of material gain. Government will give us wealth. Government will build us houses. Government will pay for our crops. Government will provide goods and services cheaper. Government will protect our health, and support us in old age. Government will deal with almost every obstacle that confronts us from the cradle to the grave. But before government can even attempt to give us these things, it must have the power to control the human and material resources of the nation, and take the savings of the people through taxes. And that is how dictatorships are built.

It seems, however, that government never delivers promised material benefits. The standard of living of any people goes down in ratio to the growth in power of those who rule. But, once government becomes strong enough, there is no recourse for the people short of revolution. The whole machinery of the state is used to keep the people in line, to destroy dissent, to make individuality a crime.

In today's world, the United States is in a position without precedent. The most obvious fact is that we are a mighty power from the material standpoint. We are making an effort which has no parallel in history to rehabilitate a score of devastated nations, and to save them from hunger and disease and despair.

This is vitally important, but it is not the end of the matter by a long shot. If American leadership proves to be purely material, it will be doomed to eventual failure—some of the police states are also rich in resources. What America must offer the world, along with her

flood of goods, is the supreme example of the fact that a free people, with a free economic system and a representative government of their own choosing, can outdo the police states. Everything we have done or may do at home to weaken our tradition of individual freedom, to glorify government above the people who elect it, weakens our physical security, and our chance for survival.

This is a matter of spiritual values. We have no statistics with which to measure them, no production figures to make other peoples gasp in envy. But it is spiritual values which will turn the scales, one way or the other, in the long run. The real meaning of America is in the hearts of her people, and in the freedom and the dignity of all men.

That, then, is what we have to offer at a time when the world is divided into two camps without a common meeting ground. We cannot offer more. We must not offer less. We must check our own drift toward the totalitarian state where the government becomes supreme and where individual thrift, opportunity, industry, savings, and freedom are lost.

A GOOD RESOLUTION

A few weeks ago the New Year was greeted throughout the nation with prayer and song and dance. We said goodbye to 1948, extended a welcoming hand to the Newcomer, and exchanged mutual expressions of hope with our friends that the New Year would prove happy and prosperous.

At the same time, the great majority of Americans gave some thought to New Year resolutions. Most of us might even have kept some of them, right up to this "late" date. But if we did not, there still is a chance to redeem ourselves right now.

There is one resolution every man, woman and child should make and keep. It is an easy one. It entails little or no sacrifice. It will give you a grand feeling—but more important, it will help bring back to health youngsters you may know, or have heard of, or perhaps never even knew existed.

That resolution is simply to: "JOIN THE MARCH OF DIMES, JANUARY 14-31." The dime and dollar given to the 1949 appeal of the National Foundation for Infantile Paralysis will enable that organization to rebuild chapter funds exhausted during that year's polio epidemics—which were comparable to those of 1916, worst in history.

You will never miss the dime or dollar you contribute. Resolve now to give generously to the MARCH OF DIMES. You may be sure you will share in the prayers of thousands of little ones. You will write the score for a song of a brighter future. Yes, these polio-stricken children may even be able to dance again... because YOU helped.

New Chevrolets

Attract 1500

About 1500 people viewed the new 1949 Chevrolet cars at Mirak Chevrolet, Inc., 440 Massachusetts ave., last Saturday and Sunday, while many more have dropped in at the local showroom this week. John Mirak and Lew Wasky and their sales staff were on hand to welcome visitors and explain the many new features in the 1949 models, two of which are on display here.

The cradled ride, lower and longer silhouette lines and the many other innovations in the Styline and the Fleetline impressed visitors. Mechanical improvements in steering, handling ease, gear shifting, etc., drew favorable comment. The dependable overhead-valve engine has been retained, with basic changes for improved performance.

The NEWS OBSERVES

"America stands as the last torch in a world that is growing dark. If we realize what America is and what it stands for, we are assured of a great victory for Democracy and freedom." — Rueben H. Markham.

The Registrar of Voters, on page one of today's NEWS, announced special evening registration sessions for the enrollment of new voters before the town election on March 7. This is for the convenience of those who are unable to register during the day. Otherwise, anyone eligible to vote and not yet registered may do so any time during office hours. Town Clerk James J. Golden points out. Unless registered by Feb. 15, one cannot vote in the coming town election.

A young woman who passed a worthless check in Arlington last week-end, tried the stunt once too often. She was arrested on a similar charge in Needham this week.

The Attorney-General has approved the new Town-by-law calling for a public record of the attendance of town meeting members at town meetings. It will be in effect at the approaching annual meeting.

The report that important papers on corporate taxes and the recent Revere graft case have mysteriously disappeared from the office of the Attorney-General of the Commonwealth is disturbing, to say the least.

Arlington's Protestant churches will observe Youth Sunday next Sunday, with young people's groups taking part in the services.

"We are not getting a fair deal from President Truman when he overlooks at least one-billion dollars a year in 'superfluous' employees on the payroll of the Federal Government," said C. Lawrence Muench, president of the Boston Chamber of Commerce, speaking to members of the Edward Rand Men's Club of Belmont on Monday night. "Some 500 thousand of them produce nothing," continued Mr. Muench. "They don't help labor, farmers, education, foreign relations, national defense, social security, or housing. They live off the taxes we pay on movie and baseball tickets, tobacco, telephones, and incomes."

Mr. Muench, summed up: "We should all avoid thinking that government employees, hired in Washington, can handle our affairs better than we and representatives whom we can watch at home. Potentially, our community has a

great future which will depend on the intelligence and intentions of the men who are active in shaping our affairs. To a great extent, the calibre of these men will depend on the interest in community affairs — which is taken by men like you and me."

The pastors of the 773 Methodist Churches in New England have been asked to take part in four special days of study between now and June 30th, according to an announcement made by Bishop John Wesley Lord, resident in the Boston Area. Twenty-five thousand Methodist pastors throughout the nation are taking part in an intensive study of the reports of last summer's meeting of the First Assembly of the World Council of Churches at Amsterdam, Holland.

Bishop Lord has announced that in order to help parish ministers complete this study, districts in the Area will be asked to hold four separate all-day sessions between now and June 30 to study the four sections of the report. The title of the report is "Man's Disorder and God's Design."

Evening Alliance Holds Guest Night

The Guest Night of the Evening Alliance was held at the First Parish (Unitarian church) on Wednesday evening of last week.

Miss Gertrude Redmond presided. Miss Isabel Pattengill, music chairman, introduced a talented trio of young musicians from St. John's Parish in Cambridge. Miss Eleanor Sullivan, Miss Joan Quinn and Miss Lorraine Doucette.

Mrs. Grace B. Mitchell of Somerville then entertained with a delightful talk on "Pigtails to Permanents." Preceding her talk, she exhibited many old combs, daguerotypes and curios used "in the dear old days beyond recall."

She concluded her talk with a skit on the "teenagers of today who pray for a prince charming but if there is a shortage, would 'settle' for some candy and a corsage."

Mrs. William Lowenhaupt and Mrs. Carl Carlson were in charge of refreshments and Mrs. Ernest Benshimol poured.

Timely Advice

Statistics show that two out of every three adults in our part of the country will have at least one cold before another year rolls around.

If you would be among the lucky third to come through the winter unscathed by this enemy to comfort and health, doctors in our Red Feather hospitals recommend:

(1) nourishing food; (2) adequate clothing; (3) avoiding exposure to undue weather; (4) plenty of rest; (5) well ventilated rooms; (6) keeping away from people with colds.

Dr. Joseph Rosenthal, assistant director in charge of medical serv-

ices at the Boston Dispensary, warns that neglect of a cold, once caught, is likely to lead to serious complications. He feels that people should take better care of their colds than they do.

Dr. LeRoy A. Shall, head of the Massachusetts Eye & Ear Infirmary, says, "We find at the Infirmary that the way to cure a cold is to stay in bed, keep warm, eat a moderate diet, and keep away from people."

When it comes to colds, man's worst enemy is man, according to Dr. Shall.

—Albert Peterson, 43, of 11 Egerton road, was taken to the Symmes Hospital in the police ambulance on Friday.

Corcoran's Department Store To Open Branch at Harvard Sq.

Paul R. Corcoran, president of Corcoran's Department Store, Cambridge, has announced that a new branch store of the company will be opened on Brattle St., Harvard Square, Cambridge. Plans are under way to start remodeling the new store in May, and it is expected to be completed during September. Operation of the main store in Central Square, Cambridge, will of course be continued without change.

Negotiations for a long-term lease of the property located at 14-16 Brattle St. and extending to 15-23 Boylston St. were completed between Mr. Corcoran, representing the Corcoran store, and H. LeB. Sampson, president, and George L. Dow, treasurer, representing the Cambridge Securities Company, owners of the property. The new air-conditioned store, which will be modern in every respect, will have a two-floor sales area of 7,000 square feet, and executive offices on the second

floor. The construction will be of the red-brick colonial type dominant in the area. Richard Shaw, F.A.I.A., has drawn the plans for the new building. No building contract has yet been awarded.

Founded in 1881, Corcoran's is one of Cambridge's oldest and largest department stores. It was founded by John H. Corcoran in 1881. The business has shown a steady growth and has remained in the family since that time. Upon Mr. Corcoran's death in 1924, the active management was carried on by his two sons, the late John H. Corcoran, Jr., former Mayor of Cambridge, and Paul R. Corcoran. Upon Mayor Corcoran's death in 1946, Paul R. Corcoran succeeded as president.

Discussing plans for the new store, Mr. Corcoran said, "The directors of Corcoran's, after considerable deliberations, have decided to locate in Harvard Square for the convenience of Cambridge residents for whom Harvard

PAUL R. CORCORAN
Store President

Square has become a normal and important shopping center. We shall carry merchandise of a similar nature to that carried in our main store at Central Square."

Storms

(Continued from Page One)

keeping the cost at a minimum. Town-owned trucks are used as far as possible. No trucks were hired to haul snow after the first storm, according to Thomas J. O'Neill, chairman of the Board of Public Works, while only seven were hired for plowing operations. This has been made possible through the co-operation of the Park and Tree Warden's departments, whose trucks were loaned to the Public Works Department for hauling snow and sanding. The result is that the cost "has been very low," says Mr. O'Neill.

The plowing of sidewalks has been more thorough than in previous years. Unfortunately, many motorists fail to cooperate and in some cases cars were left parked across sidewalks when their owners could not drive into driveways. As a result, the sidewalk plows were obliged to swerve around these cars, leaving some sections of sidewalks unplowed.

Sanding of streets, following the first storm, was delayed because the two power shovels owned by a contractor, which are ordinarily

used to load sand trucks, both happened to be out of town. It was necessary to use front-end loaders, owned by the town, to load sand trucks, an operation which is slower than the big shovels, according to Mr. O'Neill. He has advocated that the town buy a power shovel, in the past, to eliminate delay and cut rental costs.

Waiting Room In Centre Open

The new Arlington Centre waiting room for commuters using street-cars and buses was opened last Wednesday afternoon in the Old Town Hall building at 627 Massachusetts Ave., opposite Pleasant St.

This section of the town-owned building was formerly used by J. Q. Rush, realtor, as a real estate and insurance office for 18 years. Mr. Rush moved to a new suite of offices, opposite the Robbins Town Hall, last week-end. The Selectmen had made arrangements to have the new waiting room open only yesterday, but in view of Wednesday's snowstorm, last night's rain, and the speeded up and the waiting room was opened that evening. Commuters, who would ordinarily have to wait outside for buses and street-cars, welcomed the new shelter.

The waiting room will be open from 7 a. m. to 7 p. m.

Accidents

(Continued from Page One)

day forenoon, police said. The other car was being driven by Albert F. Fitzgerald of 60 Atherton St., Somerville.

Jacob Cherny of Dorchester received head injuries about the same time when his truck was struck by another truck operated by Henry M. Walsh of Roxbury, police said. The accident occurred in front of Koford's Restaurant, Arlington Centre.

Sand Truck Hit
A Park Department truck which was being used to sand streets was struck twice on Friday afternoon, first on Appleton St., when an auto coming down Appleton skidded and struck the bumper of the sand truck. Later in the afternoon, the same truck was hit by an auto driven by Paul Ross, Jr., of 251 Massachusetts Ave., as the sand truck was making a left turn into Hobbs court. The sand spreader attached to the truck was slightly damaged.

One person was injured early Friday evening in a skidding accident involving three cars in front of 282 Mystic St.

According to police, Walter A. Olson of 7 Oldham road skidded and collided with an auto operated by William W. Croston of 22 Churchill Ave. Croston injured his right knee and was taken to the office of Dr. Carl E. Barstow for treatment. His car was towed to a garage.

A third auto, which tried to avoid colliding with the other two cars, skidded and knocked down a hydrant.

James Tusher, 16, of 50 Rindge Ave., Lexington, suffered a bruise to the right shin when he was struck by a pickup truck on Appleton St., near Paul Revere road late Friday night.

The truck was being operated by Henry E. O. Atkinson of South Lincoln who took the youth to the Symmes Hospital, police said.

Jewish Community Center Sports Night
Attended By Many

A sports night was enjoyed by a large audience at the January meeting of the Arlington Jewish Community Center, at the American Legion Hall.

The first feature was the showing of the recent World Series pictures. After the movies, Pres. Harry Perlmutter greeted the members and guests. He then turned the meeting over to Hy Hurwitz, sports writer for the Boston Globe, who served as master of ceremonies. He introduced Henry Toczowski, football coach at Arlington High School; Art Johnson, former pitcher of the Boston Braves; Jimmy Peters, Boston Braves key star; Joe Coleman, pitcher for the Philadelphia Athletics and Mickey Harris, pitcher for the Red Sox.

Each stressed the importance of clean athletics and its fine influence on children.

Pres. Perlmutter presented gifts to each of the guests. After the meeting a social hour followed. Refreshments were served by Helen Balanoff, hospitality chairman and the committee.

Victor Herbert Play 'Sweethearts' Next Drama Friends Attraction

Plans for the forthcoming production of Victor Herbert's immortal musical comedy "Sweethearts" will be discussed when the Friends of the Drama meet for their initial meeting of 1949 at their Academy Street Clubhouse on Sunday afternoon, Feb. 6.

"Sweethearts" will be the 15th annual musical presentation of the Friends of the Drama, and the production will again be under the direction of Edward and Helen Center of Arlington, well-known New England producers of the standard light operas and musical comedies.

Because of the crowds which have taxed the seating capacity of the small playhouse in previous years, "Sweethearts" will be given for six evenings during the week of Feb. 14 appropriately opening on Valentine's day. It will be the first time that the Friends of the Drama have played a production for a full week, and advance interest in the popular Victor Herbert musical comedy indicates that this year's show will attract capacity crowds.

Anne Pickering Heads Cast
Heading a cast which includes singers and comedians is Anne Pickering, favorite comedienne of Arlington audiences. In the role of Dame Paula, proprietress of the Laundry of the White Geese, and mother of six charming daughters—she is involved in one hilarious scene after another. Ruth Olive, well-known Arlington soprano, is leading lady, and her lovely so-

prano voice is ideally suited to the charming Victor Herbert score. Roger John Krohn plays the romantically inclined prince, and Lorraine Clifford the flirtatious soubrette singing and dancing role of Liane, the milliner. Both were featured in the "Mikado" last year. Kenneth Dolan returns to the Friends stage in the tenor role of Lieutenant Karl.

Principal among the comedians is Robert Collier, who convulsed local theatre-goers as Ko-Ko in last year's "Mikado," and he is assisted by Lee Davenport, Alden Welmer and Edgar Emery who appear in character comedy parts.

The pulchritude is furnished by Beatrice Coulouris, Edith Marshall, Eleanor Marshall, Pauline Anfantia, Florence Mulholland and Marjorie Munroe as the "Little Geese." Their famous dance, "Jeanette's Wooden Shoes" is one of the highlights of the production. In addition, there is a singing chorus of 24 soldiers, villagers and court attendants.

The novel stage settings for "Sweethearts" have been designed by Leo MacDonald, whose magnificent setting of the "Mikado" will long be remembered by Arlington audiences, and his wife, Ruth MacDonald is in charge of the elaborate and colorful costumes.

Set construction is headed by Barbara Horrigan, assisted by a large stage crew. Edgar Emery is business manager, and in charge of ticket allocation.

She will be delighted with a gift of jewelry from our large selection of

Soloist Exemplifies Purpose Of PTA Fine Arts Program

Next week, when the young Arlington High School sophomore, Renee Diane Canzanelli steps upon the stage at the Robbins Town Hall as soloist in the Youth Concerts sponsored by the Arlington Council of Parent-Teacher Associations, she will exemplify clearly the purpose and scope of the Fine Arts program as conceived by the Association—to bring to the school children of Arlington high grade programs of artistic and cultural value and to provide for these children an opportunity to be guest soloists with an adult and accomplished group of musicians.

Renee, who has just turned 14,

was born in Arlington on New Year's Eve and immediately friends of the family predicted an unusual and brilliant future for her. She is a regular, happy, carefree teenager with all the frills and frivolities of that age plus, however, a willingness to work hard and a determination to achieve her goal. Under her mother's tutelage, Renee received her first musical instruction. Showing an aptitude for music, yet not satisfied with piano alone, she selected the harp, which appealed to her esthetic and dramatic spirit, as well as to her instincts.

Her first harp teacher was an

Arlington girl, Miss Caroline Mazzuca, now studying in New York. For the past three and a half years, Renee has studied with the famous Boston harpist and musician, Miss Nellie Zimmer, who has been an inspiration and help. Indeed her parents say that, "without Miss Zimmer there just wouldn't be the accomplished Renee."

When she was 11 she first appeared with the Philharmonic Society under the baton of Leonard Wood. With his kind manner and encouragement, she continued to play the harp parts with the orchestra and has been at every concert where harp was required.

In 1946, when the Arlington Junior High West went to Needham to participate in the School Music Festival, Renee was invited to play with the orchestra under direction of Hessler Elzing. She also competed as soloist and won the highest rating awarded to any soloist.

Although Renee prefers to play with orchestras, last year she played also with the Boston Orchestra Society; senior orchestra under Edgar Curtis. She has appeared as soloist on the radio and with many organizations and clubs. Renee will play the Dubois Fantaisie for harp and orchestra, a graceful, melodious French work, seldom heard in this country. This is probably the first performance of the complete score in New England.

Concertos for harp and orchestra are rare and invariably difficult and this one was no exception. The orchestral scores were not available in this country and Leo Litwin, conductor of the Philharmonic Society of Arlington, had to send to Paris for permission to perform this work. Finally, when it seemed too late to wait longer, Miss Zimmer graciously consented to copy it by hand, a tedious task. The unusual nature of this concert will draw many musicians and educators. Among the invited guests are the music supervisors from Lexington, Winchester, Bedford, Somerville and Cambridge. Many surrounding towns have already adopted similar series which originated in Arlington.

Chinese Leader Will Address Woman's Club

Mrs. Arthur J. Mansfield, president, will conduct the business meeting of the Arlington Woman's Club, next Thursday, at 2 p. m. in Robbins Town Hall.

This will be International Relations Day and Rhoda Kong Hung will present the subject "Chinese Women in the Changing Society." The speaker was born in China of Chinese parents and educated in New England, receiving her degree at Wheaton College. Mrs. Hung began her amazing career of helping Chinese women by organizing in 1921, the first International Institute for Chinese Women in Chinatown, N. Y. Her home is on the campus of Yenching University. Music will be by the talented violinist, Virginia Shankell.

Emblem Club Marks 15th Anniversary

The Arlington Emblem Club observed its 15th anniversary with a dinner dance last evening, at American Legion Hall. Among the guests were the District Deputy and the Supreme Officers. Co-chairman for the occasion were Mrs. Mary Billings and Mrs. Josephine Barrett.

Laymen's League

The Laymen's League of the First Parish will hold another Fireside Hour next Sunday at 6:30 p. m.

Dessert will be served, after which Von M. Weston will present a colored sound movie, "Wagon Wheels". Plans will be made for a supper which the laymen will prepare and serve for the whole parish on Saturday, Feb. 12, the proceeds to go to the painting fund.

TALENTED YOUNG ARTISTS who entertained at the Arlington polo benefit performance for the National Foundation for Infantile Paralysis were Francis Fabry, violinist, and Miss Carol Lee Sandler, pianist. Both are Arlington High School students.

Roger Babson's Column

(Continued from Page One)

I believe that one of the laboratories of the Atomic Commission is now working on such a dream. The carbon atoms may show the way. With such a discovery there would need be no fundamental change in our present physical set-up. We would continue to get our energy from the Sun; but a large percentage of the present cost of raising foods would be eliminated. The first step would be to apply these experiments to canned juices of various kinds and later perhaps to dairy products. These will exceed in taste and nutrition certain present products and will give us the Sun's energy in a far cheaper and more efficient manner.

What Would Happen To Business?

What such a discovery would do to us economically I leave to your imagination! A limited amount of farm lands would be wanted for industrial products. Rayon, pulp, plastic and many other manufactured materials will always be dependent upon products of the soil. We, moreover, will continue to demand certain "whole" vegetables and fruits. Our stomachs require bulk which cannot be satisfied by juices or pills. When one considers the labor now engaged in the raising and processing of products now sold as juices, many million people might be thrown out of work and forced into other occupations.

Lands now used for fruit and some other agricultural purposes could decline in value. Railroads which depend largely upon the transportation of certain agricultural products, fertilizers, farm machinery, etc., could suffer. On the other hand, other lines such as building, clothing, fuels, automobiles, recreation and real estate in sunny states could have a great boom. This confirms the need of broad diversification in our investments which I have constantly preached in this column. Of course, this change is not coming all at once. Electronic juice and milk may be healthier than present non-enriched liquids, yet no juices can equal properly grown whole fruit and leafy vegetables of which we should eat much more.

Crittenton League

The Arlington Circle of the Florence Crittenton League met last week in the vestry of the Unitarian Church, Arlington Center.

The speaker, Mrs. Norman Aiden Downs, gave a very interesting talk on "Women and the Law". Her topic touched high points of legal questions particularly applicable to women in running their everyday affairs.

Coffee was served from an attractively appointed table, with Mrs. Arthur Saul and Mrs. John Brackett pouring. Helpers, under the chairmanship of Mrs. James Sherwood, included Mesdames C. E. Folsom, Chester Glinder, Andrew Magnus, H. L. Shumay and Miss Vivian Barker.

Children need models more than they need critics.—Joseph Joubert.

New Arrivals

The following babies were born at the Symmes Arlington Hospital during the week ending midnight, Sun. Jan. 23:

To Mr. and Mrs. Henry R. Torpey, (Joanne Caron) 68 Silk st., a son named William Lawrence.

To Mr. and Mrs. Robert X. Dailey (Helen Malliot) of 88 Cary ave., Lexington, a daughter named Donna Marie.

To Mr. and Mrs. Levon K. Boodakian (Leona Topjian) of 176 Mystic Valley Parkway, a daughter named Linda Marie.

To Mr. and Mrs. Frederick E. Willard (Gladys Brown) of 14 Rutland st., Cambridge, a daughter.

—Mr. and Mrs. Edgar T. Chester of Webster st., have been enjoying a winter vacation at Stowe, Vt.

SOCIAL SECURITY BENEFITS HELP MANY ARLINGTONIANS

The Social Security Administration reports that in the year 1948 more than three and one-quarter million dollars were spent in this area for Old-Age and Survivors insurance benefits, according to James T. Phelan, manager of the Cambridge Social Security Administration office at 1248 Massachusetts ave., (Harvard Square).

The area served by this office includes the cities and towns of Cambridge, Somerville, Newton, Woburn, Arlington, Watertown, Belmont, Winchester, Lexington, Bedford and Burlington.

The monthly benefits in December, 1948 in the town of Arlington are approximately as follows:

| Cases | Total |
|-------------------------------------|-----------------|
| Retired workers, aged 65 and over | 585 \$17,533.86 |
| Wives, aged 65 and over, of retired | |

workers 220 3,438.77
Children of deceased or retired workers 158 2,891.47
Aged widows of workers 139 3,235.67
Widows with children under 18 years of age 85 2,109.50

The local office issues account numbers, aids in the development and processing of claims for Old-Age and Survivors Insurance benefits and furnishes information to the general public on all phases of the program.

It further aids fraternal, veteran, civic and business organizations to become better acquainted with the program by furnishing speakers for their various meetings.

In many places, species of rhubarb are cultivated as shrubs.

Costs \$25 Above Receipts For Arlington High Football

The Arlington High School Athletic Association, in its year-end report, showed a net loss of \$25.66 for the 1948 football season. Receipts totalled \$8773 while expenses amounted to \$8799.

The report, which was made available to the NEWS by Principal Raymond S. Morrill, shows a surplus of \$3241.16 on Dec. 3 last. It follows:

| | |
|-------------------------------|-----------------|
| Consolidated Financial Report | July-Dec., 1948 |
| Football: Receipts | |
| Admissions 4 Home Games | \$6084.41 |
| From games away | 2280.04 |
| Concessions and programs | 408.93 |
| | 8773.38 |
| Net Loss of Football sea. | 25.66 |

| | |
|---------------------------|-----------|
| Football: Expenses | |
| Expense of Games | \$8799.04 |
| Federal Tax (Adms.) | \$1006.10 |
| Guarantees to Opponents | 1631.48 |
| Games Expense | 1003.00 |
| New Equipment | 1996.12 |
| Cleaning and Repairs | 1126.85 |
| Medical and Coaching Exp. | 1250.00 |
| Miscellaneous Expense | 785.49 |
| | \$8799.04 |
| Surplus July 1, 1948 | \$3777.79 |
| Miscellaneous Receipts | 23.48 |
| | \$3801.27 |

Douglass L. Eaton is faculty treasurer of the Association.

Cutter School PTA Hears Talk on Russia

The Cutter School PTA met Tuesday evening when Louis Doc-toroff, program chairman, presented Professor George Waskovich of Hunters College as guest speaker. Professor Waskovich, who recently returned from Czechoslovakia gave an interesting talk on "Behind the Iron Curtain" and showed pictures he had taken in Czechoslovakia.

Miss Hunter's room won the attendance banner.

Refreshments were served under the direction of Mrs. Charles Herd and Mrs. McKenzie.

Strout Gives Arlington 42 to 38 Court Triumph

Center Bud Strout's late score gave Arlington a 42-38 victory over Watertown in a Suburban League basketball game on the local court Friday afternoon.

Kenney, with 14 points, topped his teammates for scoring honors. Others in the lineup were Cosgrove, Kenealy, De Rosa, Bowler and Donnelly.

—Born to Ensign and Mrs. Robert W. Totten of East Greenwich, R. I., and Arlington, a daughter, Maureen. Grandparent honors are shared by Mr. and Mrs. William V. Jefferson and Mrs. Robert W. Totten of Arlington.

Men to Have Gym Classes

The Park Department has often heard this expression from adults in the community. "I'd like to join the basketball league but I'm out of shape" or "getting too old" or the "competition is too fast." For men such as the above a new program has been planned.

Beginning next Wednesday evening and every Wednesday evening thereafter, a men's gym period will be conducted in the old gymnasium of the high school from 7:00 to 10:00.

The Park Department instructor will conduct organized calisthenics at the beginning of each class to get muscles back in shape and there will follow periods of basketball shooting, short basketball scrimmages and volleyball.

Any further information can be obtained by calling the Park Department office AR-5 3156. Only adults can participate in the program and preferably those who are not actively engaged in any strenuous athletic program.

Hot showers will be available at the gymnasium.

Arlington Grange Host to Neighbors

Frank Perry, the new Master, conducted the meeting of Arlington Grange last Thursday evening in American Legion Hall. It was Neighbors Night and Grangers were in attendance from Burlington, Cambridge, Lexington, Somerville, Mattapan and Medford. Deputy Ernest Hunt of the Massachusetts State Grange and Alvin West, Pomona representative, were special guests.

Past Master, Mrs. Marcus Gray, installed Mrs. Florence Follom as Pomona and Past Master Florence Bruce as a member of the executive committee. Mrs. Bertha Runnolds was previously installed as assistant lecturer. Mrs. Gray also presented Frederick Malsbenden with a Past Lecturer's jewel. He is now the new Master of Metropolitan Pomona Grange. Lexington Grange provided the program. "Little Larry's Hay Shakers" entertained with several kitchen orchestra selections and the Singing Trio, Doris Moore, Ruthie Hardy and Janet Plummer, with Al Plummer at the piano, presented a program of popular selections.

ENGAGEMENT ANNOUNCED
Mr. and Mrs. John Giarrizzo of 15 Foster st., announce the engagement of their daughter, Elizabeth A. Giarrizzo to John J. Powers of Arlington. Miss Giarrizzo was graduated from Arlington High School and served as a SPAR in the U. S. Coast Guard. Mr. Powers was graduated from Rindge Technical High School, Cambridge, and Wentworth Institute. He served four years in the U. S. Army. No date has been set for the wedding.

Men's Class Opens Attendance Contest

The first Sunday of the First Baptist Church Men's Class "Red, White and Blue" 10-week attendance contest brought out 110 members and their guests. The men heard Prof. Perry Gilbert Eddy Miller of Harvard University deliver a most interesting address.

Devotions were led by John A. Easton, with song services in charge of Joseph DiSilva. President Herbert O. Alderson announced that the annual Valentine banquet held jointly with the Women's Fellowship will be on Feb. 15.

Visitors present included Edgar Thompson of 28 Jason st., Walter Smith of 159 Waverly st., Robert Colter of 43 Crawford st., J. Henry Evans of Braintree, Alfred E. Sibley of Melrose, and Ralph Butler of South Berwick, Maine. The class also greeted Edward Lloyd, former member now living in South Portland, Maine.

Next Sunday Rev. Nathan W. Wood will begin his Life of Christ series, speaking on the topic: "The Boyhood of Jesus."

—An old fashioned barn dance, sponsored by the Young People's Fellowship of St. John's Episcopal Church, will be held on Saturday, Feb. 4 at 8 p. m.

Article 10. To see if the Town will vote to amend its By-laws by inserting a new section in Article 1, entitled "Town Meetings" to be known as Section 2 A and to read as follows:—

Section 2A. A record of the attendance of Town Meeting Members at all representative Town Meetings shall be made under the direction of the Town Clerk, said record to be available to the public for three years from the date of each meeting.

(Inserted at the request of one hundred (100) registered voters)

Article 10. Amendment of Town By-Laws — Town Meeting VOTED: unanimously

That the by-laws of the Town be and hereby are amended by inserting in Article 1, a new section to be known as Section 2A, to read as follows:—

Section 2A. A record of the attendance of Town Meeting Members at all representative Town Meetings shall be made under the direction of the Town Clerk, said record to be available to the public.

The foregoing is a true copy of the vote of the Town of Arlington, passed at the Special Town Meeting, held December 27, 1948, and of Article 10 of the Warrant calling said meeting, amending the Town's By-Laws, as approved by Clarence A. Barnes, Attorney General of the Commonwealth, January 14, 1949.
